

JAN HARMSGAT

— HISTORIC FARMS & COUNTRY HOUSE —

JHG WINE COLLECTION TASTING NOTES

Our philosophy is to create delicious single-block wines — this is the smallest production unit for vineyards and may not exceed six hectares per cultivar.

Since 1723, Jan Harmsgat Farm, or JHG, is situated on the most southern tip of the Robertson Wine valley along the foothills of the Langerberg Mountains.

Our unique position borders with the dry conditions of the Karoo as well as the cool sea breezes from the Coastal Regions. The direction of planting runs from east to west.

The JHG vinification process is conducted with minimal interference, using spontaneous fermentation and no enzymes during fermentation. Due to minimal interference through vinification, sediment may occur.

Highlighting our vineyard's unique characteristics, maturation takes place in neutral vessels.

We invite wine lovers world-wide to taste the beauty of our valley!

White Wines

2021 *Sauvignon Blanc*

Lively and fresh as Sauvignon Blanc should be, without being overly showy or harsh. Flavours of fig, melon and other tropical fruits are ripe, juicy and filled out with some lees-enrichment but also leave a crisp, clean finish. Uncomplicated, satisfying and best enjoyed over the next year.

2021 *Chenin Blanc*

Bright and generous, 2020 exudes ripe, tropical aromas of melon, mango and pineapple plus a hint of exotic honey. Similar flavour richness and persistence is intensified by taut, natural freshness, which gives the wine an overall sense of lightness. Very moreish!

Hints of lime, pears and honey.

Rich with a round mouth feel, yet very crispy at the end.
